## Griechische Landschildkröten auf Korfu

### *Hermann's tortoise on the island of Corfu*

#### **Abstract**

The habitats and colour morphs of *Testudo h. boettgeri* which are currently found on the island of Corfu are described, photographically documented and discussed. Some comments are made about the ixodid tick (*Hyalomma aegyptium*), which infests tortoises. In addition, the localities in which the two native freshwater turtles, *Emys orbicularis hellenica* and *Mauremys rivulata* were observed, are also described.

#### **Key words**

Testudines: Testudinidae, *Testudo hermanni boettgeri*, Island of Corfu, ticks *Hyalomma aegyptium*
